Lego-Bricks 4 Kidz

We Learn, We Build, We Play with...
LEGO® Bricks

Bricks 4 Kidz® After-school classes build on the universal popularity of LEGO® bricks to deliver a high quality of educational play encouraging teamwork, creativity, spatial thinking, following directions and more. Our unique models are not the kits you find on the shelves of a toy store. They are designed by Bricks 4 Kidz® to teach concepts across a variety of subject areas including Science, Technology, Engineering, and Math (S.T.E.M) using gears, axles, bushings, pulleys, motors, and remote controls. Each class is based on engaging themes such as space adventures, forces of nature, interesting inventions, amazing animals, energy is everywhere, famous buildings and more. Once the models are completed, students are encouraged to modify their creation and/or given time to free play in our huge collection of LEGO®. Each session introduces new models and themes which are drawn from our extensive library! To register visit www.brick4kidz.com or contact at 856-335-5346
